

Florfenicol-HRP Conjugate

Catalog number: 50034
Unit size: 1 mg

Product Details

Storage Conditions	Freeze (<-15 °C)
Expiration Date	12 months upon receiving

Chemical Properties

Appearance	Liquid
------------	--------

Applications

Florfenicol-HRP conjugate is used for developing an ELISA assay for quantifying florfenicol. Florfenicol-HRP conjugate has minimal number of florfenicol molecules on each HRP to maximize its assay sensitivity.
